ABOUT US

FOCUS ON YOUR PRODUCT LEAVE THE PACKAGING ON US

PPC, Packaging Product Company is one of the market leaders in plastic conversion founded in 1995 keeping pace with development utilizing latest technologies, Research, and innovation in market orientation.

It happens millions of times each week – a customer Browse Websites and Searches looking for a packaging Solution for his Product – but Once contacting PPC is unique. It's just a moment in time – just one call /email or visit and a workshop of complete solution will be started ... We make sure everything we do honors that connection – from our commitment to the highest quality Products, reliability and to the way we engage with our customers to do business responsibly.

From our beginnings nearly forty years ago, in every development that we've been, and every product that we released, we've tried to make it the best.

Today, PPC has Three Business Units: PPC (Bottles), Taghleef (thermoforming) and Packlab (R&D) Serves Saudi Arabia, GCC and Middle east Markets.

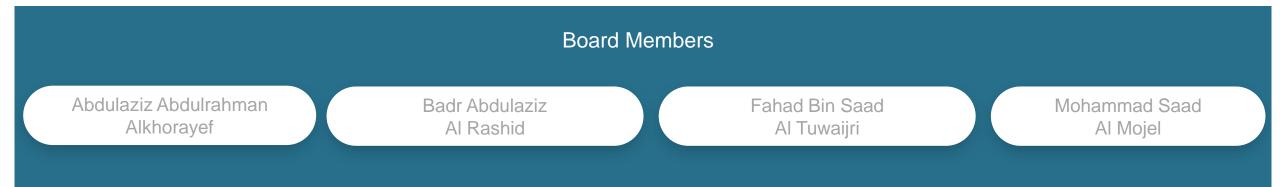

BOARD Members

Mohamad S. Al Mojel Chairman "Our accomplishments echo a story of overcoming challenges and seizing opportunities. However, we understand that success is not just a destination, it's a continuous voyage. Therefore, we stand poised to explore new horizons, push boundaries, and redefine possibilities."
